Julian Pines Cabin

The Julian Pines Cabin is located in the heart of the historic Julian Township, San Diego County, California. Only an hour's drive north of the San Diego metropolitan area, the Julian Pines Cabin offers a manageable business opportunity along with a solid real estate investment at an affordable price. This special property is shown by appointment only.

Corner lot - two blocks from Main Street!

The main home, **built in 1958**, is a one bed and one bath dwelling situated on a convenient corner lot two blocks from Main Street. A caretaker's studio is located behind the main residence. All structures are in good condition.

The present zoning is for a single family residential home. As such, this property could continue to be used as a Bed and Breakfast operation, a second home, a primary residence for retirement, or an affordable entry level home. Because of the limited availability of quality homes in the Julian Township, it is likely that this property will be in high demand as the inventory supply becomes limited during an appreciating real estate market.

There are many recreational activities available in the Julian area: the California Riding and Hiking Trail and the Pacific Crest Trail for horseback riding and hiking, golfing at Warner's Ranch and Borrego Springs, exploring Cuyamaca State Park and Anza Borrego State Park, hunting and fishing, dining, and a variety of other opportunities for each family member. The newly opened Santa Ysabel Open Space Preserve offers excellent riding and hiking trails connecting the Santa Ysabel, Wynola, and Julian communities. The famous Hale Observatory on Palomar Mountain is less than 40 minutes away.

Of great importance are the various directions from which the **Julian Pines Cabin** can be accessed across lightly traveled state highways and picturesque county roads. The Los Angeles-Orange County metropolitan area, Temecula-Murrieta, the San Diego metropolitan area, and the southwest desert communities are all within a short drive to this undiscovered weekend retreat.
