In 1856 a man  
living near Alto Springs wrote  
my grandfather Roberts, who lived  
at Wheelock, saying he missed  
the stage the day before.

In my searching in 1951-53  
I learned there was an EAST-WEST stage  
route north (BALONA SCHOOL SITE) OF BREMOND  
THIS PRIOR TO BREMOND, ESTAB. 1869.
