OWNER'S INFORMATION

B.1. In this form, "am aware" means have notice or knowledge. "Am aware" means that the owner has notice or knowledge based on an official notice issued by a governmental body, advice or recommendations received from a contractor, inspector or other person regarding a property condition or the correction of a property defect or problem, personal observation, or some other source of information. In this form, "defect" means a condition that would have a significant adverse effect on the value of the property; that would significantly impair the health or safety of future occupants of the property; or that if not repaired, removed or replaced would significantly shorten or adversely affect the expected normal life of the premises.

In this form, "owner" means that person or those persons, or the entity or organization, which is the owner of the above-described real property. If the property is owned by two or more individuals as joint tenants or tenants-in-common, each joint owner or tenant-in-common must join in the execution of this Real Estate Condition Report or complete a separate report based on his or her individual awareness. "Owners" include all persons who transfer real estate containing one to four dwelling units by sale, exchange or land contract. "Owners" do not include personal representatives, trustees, conservators and fiduciaries appointed by or subject to supervision by a court if they have never occupied the property transferred; and do not include persons who transfer property which has not been inhabited or who transfer property by conveyance exempt from the real estate transfer fee. In this form, "principal" refers either to the owner or the buyer.

B.2. The owner discloses the following information with the knowledge that, even though this is not a warranty, prospective buyers may rely on this information in deciding whether and on what terms to purchase the property. The owner hereby authorizes any agent representing any principal in this transaction to provide a copy of this statement, and to disclose any information in the statement, to any person in connection with any actual or anticipated sale of the property.

B.3. The owner represents that to the best of his or her knowledge the responses to the following statements have been accurately noted as "yes," "no," or "not applicable" to the property being sold. If the owner responds to any statement with "yes," the owner shall provide, in the additional information area of this form, an explanation of the reason why the response to the statement is "yes."

B.4. If the transfer is of a condominium unit, the property to which this form applies is the condominium unit, the common elements of the condominium and any limited common elements that may be used only by the owner of the condominium unit being transferred.

Instead of responding to any statement below with a "yes," "no," or "not applicable," and explaining the "yes" statements, the owner may substitute an answer supplied by a public or governmental agency or department (Wis. Stat. § 66.073(3)(h)); or information supplied by one of the following experts or professionals, provided the information is in writing, is furnished on time, and the statement to which it relates is identified: licensed engineers, land surveyors and structural pest control operators; contractors with respect to matters within the scope of the contractor's occupation; or other persons who the seller, buyer or any agent involved in the transaction reasonably believes has sufficient experience to meet the standards of practice for the kind of information provided (Wis. Stat. §§ 709.02 & 452.23 (2)(b)). If a statement is answered by such an expert's or professional's written information, report or document, the owner may place an "X" in the "See Expert's Report" column next to the statement(s) which are answered by the expert's information and attach the expert's written information to this Real Estate Condition Report, or provide the written information separately before the applicable deadline.
