Description

Great deer hunting in hardwood timber. The stand was thinned about 2 years ago, and the deer habitat was vastly improved. Good access from Bee Brake Rd. No easements involved. Power is within 1/2 mile for camp. Minutes from Black River and Black River Lake. Red River WMA is within 3 miles of this tract. Known for deer in great numbers and quality, this WMA provides plenty of backup. There are ag fields across the road that provide food also. Come take a look! Brown Realty Co Jerry Brown, Broker
