The use permit application fee is waived pursuant to Section 7602 d.2.
- c. Under Auspices of Youth Organizations. The keeping of said animals shall be in connection with animal raising projects under auspices of 4-H, FFA or other similar youth organizations.
- d. Other Conditions. A Minor Use Permit for an animal raising project may impose other conditions pertaining to the type, number, and locations of animals as are reasonable and necessary for the protection of the public health and welfare and for the protection of the health and welfare of the animals. A use permit time limit may also be imposed.
- e. Waiver of Minor Use Permit. The Director of Planning and Land Use may waive the requirement for a Minor Use Permit for animal raising projects upon submittal of written consent to the granting of the waiver. Such consent shall be signed by all owners of each developed lot or parcel that is wholly or in part within a 300 foot radius of the perimeter of the property where the animal raising project is to be conducted. Such consent and any other material required, including plot plan and the number and types of animals, shall be on the forms or in the format required by the Department of Planning and Land Use. The waiver may be granted for a period not to exceed five years and may be revoked by the Director if the animal raising project does not comply with the requirements specified in the granting of the waiver or is in violation of any applicable County ordinances. At the end of five years an additional waiver may be applied for.
