If your looking for a home that you can move into without any needed repairs, at an affordable price this is it. This home would be perfect for the couple looking for a place to retire or a starter home.

MILES CITY: Steeped in Western history, Miles City remains a true Western town. Vast stretches of plains and badlands branch out in all directions. The Yellowstone and Tongue Rivers flow unblemished in long sections. Once the horse trading and livestock center of the US, Miles City still has weekly livestock auctions and, once a year, puts on the Bucking Horse Sale for rodeo stock buyers and breeders. The pause that refreshes on a hot summer day is a dip in Miles City's unique outdoor municipal pool, a 'natural oasis' located next to the city park which is perfect for picnicking or just relaxing. Just a short distance from the pool is a recreation area with boating facilities. Plenty of fishing sites may be found along the Tongue and Yellowstone Rivers, and a number of reservoirs in the Miles City area are also available for fishing. A variety of other recreational activities are available: tennis, golf, bowling, racquetball, movies and river floating.
