

Information on Square Footage

HGC Real Estate Services

Property Address: 14979 FM 916 Maypearl, Texas 76064

HGC Real Estate Services does not measure or calculate the square footage of any property. HGC Real Estate Services advises you to have a certified professional provide you an independent appraisal of the size of any property if indeed this is a factor in your decision to buy or sell a property. HGC Real Estate Services can not verify the accuracy of any measurement provided by the following source(s). Again, you are advised to have a certified professional calculate or verify any measurements that influence any of your decisions in this or any Real Estate transaction.
