Address: 8292 FM 859, Edgewood, Texas 75117

Persons Living in Home: Adults 2 Children 0 (do have grandkids often)

Summertime Thermostat Setting on Average: Day 72/73 Night 72

Wintertime Thermostat Setting on Average: Day or Night 70

2015

Month	Electric	Water	Trash	Propane
January	552	37.79	31.61	
February	547	33.92	31.61	
March	419	45.87	31.61	
April	383	36.74	31.61	
May	378	35.33	31.61	
June	488	44.63	31.61	
July	706	44.63	31.61	
August	628	58.40	31.61	
September	524	58.40	31.61	
October	435	42.54	31.61	520
November	218	63.92	31.61	
December	552	34.63	31.61	
Total	5830	536.80	379.32	
Average	485.33	44.73	31.61	43.33

Typically July & August will be the hotter months – thus AC and watering the yard more so pumps are running. More swimming, which equates to some water spillage with kids. Not much but some replenishment. Propane again, with prices lower these days I purchase around 300 gallons once a year – have a 500 gallon tank to support 2 sets of gas logs in the winter that we use a lot, outdoor grill, and spa some.
