Description

This is a very nice timber investment tract with good hunting as well. It has great access with frontage on 2 blacktop highways. There is a good stand of pine with a 1st thinning needed on a good part of the place. There is also some mature pine and hardwood. A good mix for timber and hunting. Along with deer, squirrel and hog hunting, one might get a glimpse of the Fouke Monster or Bigfoot as they are known by. Good Luck.
