

Cabin

Exceptional family and sportsman get-away! 12 acres with fully functional family cabin only 2 hours from D.C., quietly nestled overlooking the WV smokey mountains. Updated in 2012 with newer add on, large bathroom and fully functional kitchen.

Enjoy an endless hot shower with the tankless hot water heater. Wood stove and large family room.

Built in air conditioner in main living room, and window ac for main part of cabin.

Beautiful view of mountain range from front deck.

Kids would love the 80 ft zip-line installed behind cabin.

If you like to hunt, this is the place for you. Turkey, deer, bear, squirrel, rabbit and coyotes are spotted on property. Back acreage has newer deer stand that seats 3 comfortably.

Looking for fun? Dig for large quartz crystals with family/friends on your own private crystal mine. Play in the creek on your property to cool off in summer. Spring water is available.

Enjoy the fire pit with friends/family and spot satellites at night in the vast clear WV sky.

Large wrap-around deck with built in lovers swing with chiminea.

One mile from small state owned lake with bass and trout.

Minutes drive from Lost River State park for great hiking, horseback riding, swimming, and events.

Small shed with riding lawn mower included. Paddle boat included. Might even throw in working four wheeler if interested.

Selling AS/IS.
