

17 gpm well

This is an aerial photograph of a large, irregularly shaped land parcel. The parcel is outlined with a thick red line. The terrain is covered in dense, dark green vegetation. A road or path runs along the left and bottom edges of the parcel. In the top left corner, there is a small cluster of buildings with orange roofs. Two yellow pushpin markers are placed on the map: one in the center-right area and another on the right edge. Text labels are overlaid on the image in yellow font.
