Description

This is an excellent deer hunting property located in the southern part of Tensas Parish. Also with a little work the duck hunting could be very good. Doves are abundant. The access is directly off of Hwy 566. A beautiful site for a camp is close to the highway with utilities available. A few acres of dirt pits are the front of the property where some dirt has been sold off in recent years, with a possibility of selling more if a new owner saw fit to do that. There is a 30' X 50' equipment shed on the tract. There are no easements on the property at all. An excellent small hunting tract priced to sell.
