Subtotals	34.5	65	215	65	0	0	0	0	215	0	0	0	0
<b>NFL (Nonforestland) &amp; Set Asides***</b>													
NFL (Nonforestland)	0.0												
Transportation & Rights of Way	4.7												
Streams & Riparian	12.3												
Wildlife Leave Tree****	0.0												
Subtotals	16.9												
Total Gross Acres	51.4												

\* Age Class is based on years since establishment date

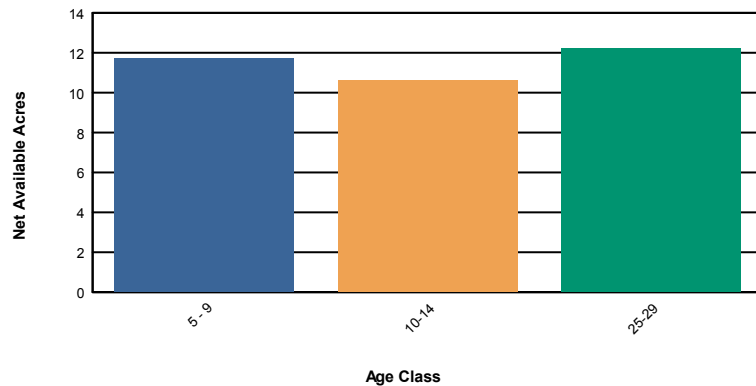

\*\* Net Available Acres by Age Class = Commercial Forestland Gross Acres - Road Width and Stream (Channel Width only)

\*\*\* Road and Stream Acres are included under the NFL, Transportation & Streams categories

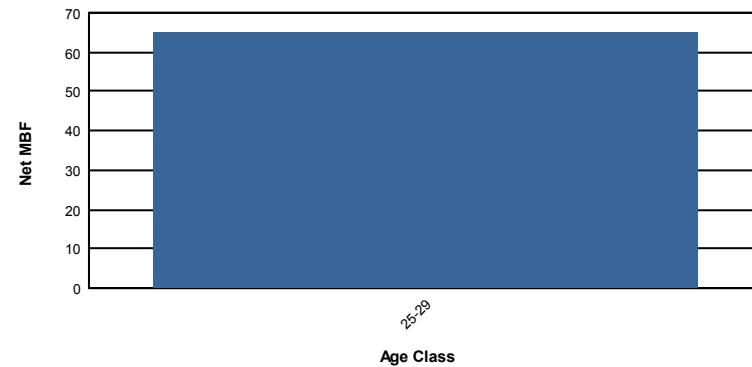

\*\*\*\* Wildlife leave tree areas have been delineated to satisfy state regulations on previously harvested units

Total Gross Acres = Age Class Net Available Acres subtotal + NFL Gross Acres subtotal

**Net Available Acres by Age Class**

**MBF by Age Class**

## Acres by Site Class Summary
