11 Acres | 478 Tallassee Road | Clarke County, GA | 30606

- Great Location
- Creek Cross Property
- Two Homes on Property

Tucked away in the woods, close to local hospitals and downtown, Tallassee Place offers many opportunities. A paved drive leads to a well built, 3/2 brick ranch on a 1/2 basement. Across the way is the original home that was fashioned out of an old store which used to sit on Tallassee Road. With some love and attention these structure's will continue to add character to this property. This place could be just what you've been looking for! Call Mark Costello to view. 706-207-5850.
