

EXQUISITE WILLOW PARK HOME

South Fork, CO

Incredible hand hewn custom log home on 7 acres nestled in the locked gated community of Willow Park. This outstanding log home has five bedrooms and three and 1/2 baths. The master suite is on the main level with a large walk in closet, oversized bathroom with granite counters, and a private door to the outside deck area. The home has two bedrooms and a full bath in the finished basement area as well as office space. There are two more bedrooms and full bath with a loft on the third floor. The gourmet kitchen boasts stainless appliances as well as a laundry room/butler's pantry with an additional refrigerator/freezer, washer/dryer, and plenty of pantry space. The formal dining area is perfectly designed for space and convenience. The living room has a large rock fireplace with gas logs to accent the floor to lofted ceiling windows, affording incredible views of the surrounding mountains. Log railings on the outside decks, log staircase, and artistic log accents adorn the home. There is an attached two car garage in the walkout basement and another 18' x 20' building with a workshop and garage (both arranged for ground floor access). One of the best features is the "treehouse gazebo" where 360 degree views provide a relaxing atmosphere.
