Comments: TAKES PLACE AT NOW VOIDED PERMIT # 05-723

NOTE: This On-Site Wastewater Disposal System Improvement Permit is issued for the system to serve the specific use as stated on the application for the site evaluation. This permit is subject to revocation if the site plan, plat, or the intended use changes. The Improvement Permit shall not be affected by a change in ownership of the site. A building permit cannot be issued with only an Improvement Permit, it requires a Construction Authorization Permit. The Construction Authorization Permit is subject to revocation if the site plan, plat or the intended use changes. The Construction Authorization Permit shall be valid for a maximum of 5 years and may be renewed providing that the use and the site have not been changed or modified. Any unauthorized modification of the site or change of the proposed use shall void Both the Improvement Permit and the Construction Authorization Permit.
