This bill represents my prioritized opinion as to how to best use the knowledge at the National Research Council of the National Academy of Sciences. I am not at all sure that my ranking is the best possible, but I am sure that it is the best I can do. I have no doubt that the members of the panel, and particularly the staff, will do a superb job of reviewing the bills, and I am sure that they will make the best possible use of the information that I have provided.
