Buyer is strongly urged, as part of any pre-closing investigation desired by Buyer concerning the Property to:
(i) conduct testing for possible existence of chemical or drug substances in, on or about the Property, as desired by Buyer, and (ii) visit with applicable law enforcement authorities about possible prior illegal activity on or about the Property.

If the location of the Property being in a Flood or Flood Prone area is of concern to Buyer, Buyer may access FEMA (Federal Emergency Management Authority) at www.msc.fema.gov regarding such information.

Your mortgage lender may require you to purchase flood insurance in connection with your purchase of this property. The National Flood Insurance Program provides for the availability of flood insurance but also establishes flood insurance policy premiums based on the risk of flooding in the area where properties are located. Due to recent amendments to federal law governing the NFIP those premiums are increasing, and in some cases will rise by a substantial amount over the premiums previously charged for flood insurance for the property. As a result, you should not rely on the premiums paid for flood insurance on this property previously as an indication of the premiums that will apply after you complete your purchase. In considering your purchase of this property you should consult with one or more carriers of flood insurance for a better understanding of flood insurance coverage, the premiums that are likely to be required to purchase such insurance and any available information about how those premiums may increase in the future.
