

Exit Interstate 15 at Exit 240.

1. Follow Cooper Drive North from the freeway exit.
2. Cooper Drive becomes Sugarloaf Mountain Dr aka Sugarloaf Ln 0.60 miles after you pass Dearborn River Road. From this point follow Sugarloaf Drive for 2.60 miles.
3. Sugarloaf Mountain Dr becomes Box Canyon Drive. Follow Box Canyon Drive to the right for 0.60 miles.
4. Turn right and travel 0.70 miles. You will turn left up Andy Creek Road near an unusual house that is built into the ground and has a cone shape.
5. Follow this road (you will pass by a few cabins and have to go through two wire gates) 1.5 miles.
6. Turn right and travel approximately 0.30 miles to property.

A GPS is highly recommended as many roads are unmarked and it's easy to get lost.
