PROPERTY SUMMARY

Description: Cedar Lakes is one of Arkansas’s premier, country estates offering gorgeous timbered and green pasture vistas overlooking four (4) lakes and one (1) stocked pond. The land consists of 1,379 (+/-) contiguous acres and is located in southwest Clark County, Arkansas near the community of Okolona.

The lakes cover approximately 100 (+/-) acres offering world-class fishing, swimming, and all types of recreational water sports. The property has an abundant population of deer and turkey offering excellent hunting opportunities. Equestrian enthusiasts will find this property to be ideal for stabling horses and endless riding opportunities. The property is secluded and quiet with beautiful, maintained pastures and woodlands. There are over nine (9) miles of private, grass-bordered, gravel roads that meander through the property. The Antonine River defines the western boundary of the property.

The largest lake is 52 (+/-) acres consisting of clear, deep water. A 10 (+/-) acre lake near the horse pasture and barn is surrounded by large shade trees and pasture. There is a 28 (+/-) acre lake that has a peninsula reaching into the center of the lake where a beautiful cottage is built. This lake has four (4) aerators that keep the water fresh. One (1) 18 (+/-) acre, tree-lined lake is located in the northwest area of the property. All the lakes fill naturally and have concrete boat ramps and well-built swimming/fishing docks, which are accessed by wide walkways that extend over the water. The lake banks near the docks are protected by concrete retaining walls. Hardened spillways are installed to drain excess rainfall and to keep the lake levels stable.

The physical structures on the property are impressive and compliment the land. There are three (3) houses, a large insulated shop with attached equipment shed, and a metal insulated horse barn with a metal pole-working pen nearby.

This unique and beautiful, four-season property is exclusively offered for sale by Lile Real Estate, Inc. for \$4,100,000.00. Any questions concerning this offering or to schedule a property tour should be directed to Nathan Gregory (mb: 870-731-4344) or Gar Lile (mb: 501-920-7015 | hq: 501-374-3411) of Lile Real Estate, Inc.

Improvements:Primary Home

The Primary Home is a 3,200^(+/-) square foot structure with three (3) bedrooms and three (3) baths built in 1999. The structure rests on a hill overlooking the largest lake on the property. There is a gated, paved, semi-circular driveway providing an attractive entryway. A 10' wide wrap around porch extends 12' on the lake side and a 48' by 38' deck faces the lake. There is a wrought iron spiral staircase leading up to a 140^(+/-) square foot viewing room that is heated and cooled. A carport is attached and a covered walk extends to a side door into the home. The foundation is concrete (block and filled) with a natural rock exterior. The house is all electric with crown molding throughout the interior and wood Pella® windows accented by planation shutters. The tiled floors are embedded with heated pipes and the main living area features a large, rock fireplace that soars to the vaulted ceiling interspersed spot lighting and fans. A large modern kitchen joins the living area with large floor to ceiling windows offering stunning views of the landscape.

Lake Cottage

Positioned on a secluded, shade tree peninsula and overlooking the 28^(+/-) acre lake is a 1,680^(+/-) square foot cottage, which is very cozy and has a beautiful view of the lake. The cottage offers two (2) master size bedrooms and one (1) full bathroom. Travel to the cottage is on a well-laid, gravel roadbed that winds through the woods and hills. The frame is steel beam construction with a vaulted pine ceilings, ceramic tiled floors, solid core doors, with Pella® doors and windows all around. There is a bold, rock fireplace and mantel in the living area and a wood-burning fireplace in the master bedroom. The second bedroom shares a large bathroom with the master bedroom. The master bedroom suite offers spectacular views of the surrounding lake. The kitchen area is tucked into the living area wall. A five-foot wide porch wraps around the structure and there are two (2) docks (one on each side) with walk ways and a concrete retaining wall wraps the point of the peninsula bank.

Family Lodge

The Family Lodge is nestled among trees on the opposite side of the big lake from the Primary Home. The lodge is approximately 2,040^(+/-) square feet featuring two (2) bedrooms, two (2) full bathrooms. The Family Lodge is designed to comfortably accommodate a large number of guests. There is a big, wood-burning fireplace and a 12' wrap around porch.

Main Shop

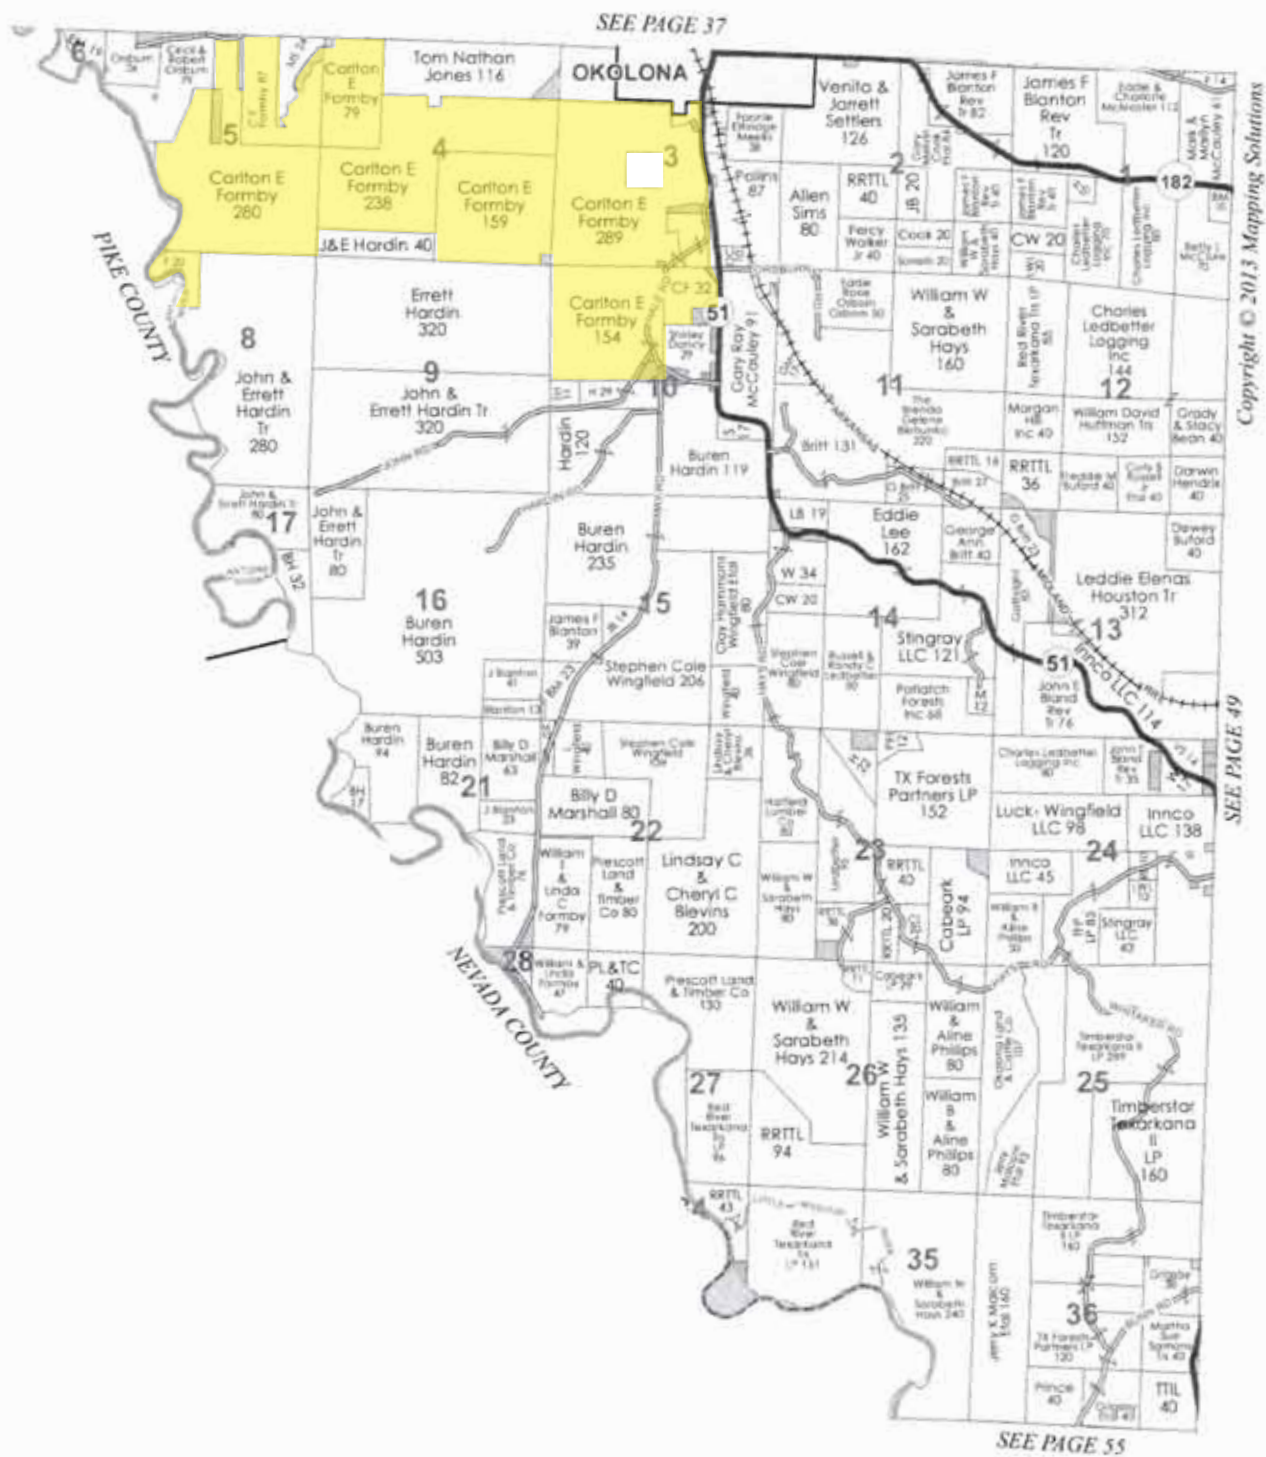

Situated on a large space down a hill and away from the structures is a 3,000^(+/-) square foot (50' x 60') shop with a 10,200^(+/-) square foot (170' x 60') attached, fully lit, equipment shed. The structure has an office/meeting room, a full kitchen with all electric appliances, a full bath, and three (3) large roll up doors. There is a commercial icemaker and a mezzanine with lockers in the shop area. The shop is heated and is piped throughout with compressed air.

Horse Barn

The Horse Barn is positioned roughly 80' from the shop and is 3,000^(+/-) square foot (30' x 100') with a 20' by 100' roofed lean-to extension on one side. It has a 12' wide drive through with an electric roll up door. The floor is concrete in the middle with unfinished dirt stall spaces on each side. The interior is fully insulated and has a suspended gas heater. Additionally, there is a metal pipe working pen connected to the barn.
