MLS# 8326517 | Hill Country Contemporary with Views.

This great Hill Country estate offers panoramic views and great elevations. Perched above, this home balances contemporary with the classic. Among its features are an open floor plan, mesquite wood floors, gourmet kitchen, and private guest quarters with bath and separate entrance. The north side of home faces out into nature with a large outdoor living area— accessible from master, living, and additional bedroom. The outdoor living area also offers a full kitchen, with fridge, sink, ice maker, and grill.

An elevator goes through two stories, as well the the observation deck on top of home. Lower level has a large storage or workshop area, all air conditioned. It has an optional garage door entrance perfect for storing multiple ATVs or automobiles. Along with garden area, decorative pond, waterfall, and water crossing— this is a serene, private estate that blends seamlessly into nature.
