RE: Change of Ownership
Certificate of Adjudication No. 14-1842

Dear Mr. and Mrs. Shurley:

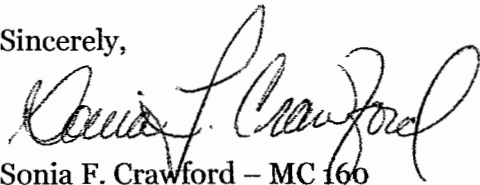

Based on the Warranty Deed with Vendor's Lien, dated June 25, 2007, and receipt of the \$100.00 change of ownership fee, we are changing our records to reflect Marvin F. and Wanda K. Shurley as the owners of Certificate of Adjudication No. 14-1842.

The certificate authorizes the owner to divert and use not to exceed 15 acre-feet of water per year from the San Saba River to irrigate a maximum of 12.3 acres of land out of an 86.853 acre tract located in the H. Bothel Survey 117, Abstract 70 and the Carl H. Nimitz Survey 118, Abstract 599, Menard County, Texas.

Please keep in mind that the 15 acre-feet per year of irrigation water rights under this permit are appurtenant to the entire 86.853 acres of land referenced above. As such, a conveyance of **any portion** of these 86.853 acres by you, in the future, will automatically carry a **proportionate** share of the water rights to the new owner unless it **specifies otherwise** in the conveyance.

If you have any questions concerning this matter please contact me at (512) 239-0636 or via e-mail at scrawfor@tceq.state.tx.us.

Sincerely,
