

1. Blocking of the flow of water or construction improvements in drainage easements, and filling or obstruction of the flood ways is prohibited.
2. The existing creeks or drainage channels flowing along or across the addition will remain as open channels and will be maintained by the individual owner of the lot or lots that are bordered by or adjacent to the drainage easements along or across said lots.
3. Homeowners County will not be responsible for the maintenance and operation of said drainage ways or for the control of erosion.
4. Homeowners County will not be responsible for any damage, personal injury or loss of life or property occasioned by flooding or flooding conditions.
