

Every window in this 7,500 sq.ft. home maximizes the expansive views of the Gallatin Valley & the surrounding mountain ranges. This 5 bedroom home has room for entertaining, large windows to take advantage of the views, and a retro-fitted barn for the sports enthusiast. Radiant heat throughout, master bedroom on the main level, floor to ceiling stone fireplace warms the living room. Detached barn has a putting green, basketball court, kitchenette & extra storage rooms for equipment or recreational toys.

Artfully uniting extraordinary homes with extraordinary lives.
