

David Lawrence Survey
A-75
Washington County, Texas

Flood Hazard Statement:

It has been determined that the subject property does not lie within the 100-Year Flood Boundary as indicated by the Flood Insurance Rate Map compiled by the Federal Emergency Management Agency, Community No. 48188 0325 C, Map No. 48477C0325C, dated August 16, 2011, Washington County, Texas.

Surveyor Certification:

I, William R. Krueger, Registered Professional Land Surveyor, do hereby certify that the above plat represents the results of an on the ground survey made under my direction and supervision on 10/26/11, and that all corners are marked as shown hereon. There are no conflicts or protrusions apparent on the ground except as shown.

This survey was performed without the benefit of a current title report which may indicate easements or other encumbrances of record not apparent on the ground.

Use of this survey for any other purposes or by other parties shall be at their own risk and the undersigned surveyor is not responsible for any loss resulting therefrom.

This plat is accompanied by field note description of even date.

William R. Krueger
