This product is for informational purposes only and is not intended for use in engineering, or surveying purposes. It does not represent an on-the-ground survey and represents only the approximate relative location of features. FLOOD WARNING: The flood insurance rate maps and other data used in evaluating flood hazards are considered reasonable and best available data. On rare occasions greater floods can and will occur and flood heights may be increased by man-made or natural causes. Floodplains outside an identified flood hazard area will be free from flooding or flood damage. Floodplain representation shall not create liability for Bastrop County.
