

****SURVEYOR'S CERTIFICATION****

It is hereby certified that this plat is true and correct and was prepared from an actual survey of the property by me or under my supervision; that all monuments shown thereon actually exist and their location, size, type and material are correctly shown; that this plat is based on a 5 second electronic total station theodolite and has a linear error of closure of one foot in 28,000 feet, and an angular closure of 1 SECOND per angle point, and was adjusted by the compass rule. This plat is accurate within one foot in 656,000 feet, and contains a total of 140,726 acres.
