

DISCLAIMER NOTICE

The Brokers and their affiliated licensees (hereinafter collectively "Licensees") involved in the Purchase and Sale Agreement (hereinafter "Agreement") regarding real estate located at

Lot 66, Block 1, Renegade Resort

(hereinafter "Property")

are not attorneys and are not structural or environmental engineers. They are engaged in bringing together buyers and sellers in real estate transactions. Licensees expressly deny any expertise with respect to advice or informed opinions regarding any of the following matters. This Disclaimer Notice is an express warning to all sellers and buyers that they should not rely on any statement, comment or opinion expressed by any Licensee when making decisions about any of the following matters, including the selection of any professional to provide services on behalf of buyers or sellers. Any professional selected by buyers or sellers should be an "independent, qualified professional", who complies with all applicable state/local requirements, which may include licensing, insurance, and bonding requirements. It is strongly recommended that buyers include contingency clauses in their offers to purchase with respect to these or any other matters of concern and that buyers, in writing the offer, allow enough time to get an evaluation of the following matters from an independent, qualified professional. The matters listed below are not an exclusive list of actions or circumstances which are not the responsibility of the Licensees with whom you work. These items are examples and are provided only for your guidance and information.

1. **THE STRUCTURAL OR OTHER CONDITIONS OF THE PROPERTY.** Consult with professional engineers or other independent, qualified professionals to ascertain the existence of structural issues, the condition of synthetic stucco (E.I.F.S.) and/or the overall condition of the property.
2. **THE CONDITION OF ROOFING.** Consult with a bonded roofing company for any concerns about the condition of the roof.
3. **HOME INSPECTION.** We strongly recommend that you have a home inspection, which is a useful tool for determining the overall condition of a home including, but not limited to, electrical, heating, air conditioning, plumbing, water-heating systems, fireplaces, windows, doors and appliances. Contact several sources (like the Tennessee Department of Commerce & Insurance (www.tn.gov), the American Society of Home Inspectors (www.ashi.com), the National Association of Certified Home Inspectors (www.nachi.org), and Home Inspectors of Tennessee (www.hita.us) and independently investigate the competency of an inspector, including whether he has complied with State and/or local licensing and registration requirements in your area. The home inspector may, in turn, recommend further examination by a specialist (heating-air-plumbing, etc.). **Failure to inspect typically means that you are accepting the property "as is".**
4. **WOOD DESTROYING ORGANISMS, PESTS AND INFESTATIONS.** It is strongly recommended that you use the services of a licensed, professional pest control company to determine the presence of wood destroying organisms (termites, fungus, etc.) or other pests or infestations and to examine the property for any potential damage from such.
5. **ENVIRONMENTAL HAZARDS.** Environmental hazards, such as, but not limited to: radon gas, mold, asbestos, lead-based paint, hazardous wastes, landfills, byproducts of methamphetamine production, high-voltage electricity, noise levels, etc., require advanced techniques by environmental specialists to evaluate, remediate and/or repair. It is strongly recommended that you secure the services of knowledgeable professionals and inspectors in all areas of environmental concern.
6. **SQUARE FOOTAGE.** There are many ways of measuring square footage. Information is sometimes gathered from tax or real estate records on the property. Square footage provided by builders, real estate licensees, or tax records is only an **estimate** with which to make comparisons, but it is **not guaranteed**. It is advised that you have a licensed appraiser determine actual square footage.

contractor, or other professional expert, service provider or vendor and to determine compliance with any licensing, registration, insurance and bonding requirements in your area.

The buyers and sellers acknowledge that they have not relied upon the advice, casual comments, or verbal representations of any real estate licensee relative to any of the matters itemized above or similar matters. The buyers and sellers understand that it has been strongly recommended that they secure the services of appropriately credentialed experts and professionals of the buyer's or seller's choice for the advice and counsel about these and similar concerns.
