Vermont Electric Cooperative, Inc. (Owner)
Kuzins Construction Company, Inc. (Contractor)

Final Plot

Lands of
Kuzins Construction Company, Inc.
Project: Notch Road
West Bolton, Vermont

Surveyed By: S.W.
Drawn: J.L.P.
Checked: J.L.P.
Scale: 1" = 50'
Date: August 1988
Project: 88005-0888

18 19/13
19 14/105

TC 58-H

Boundary & Survey Notes

- A closed traverse survey was completed April 25, 1988 using a theodolite and a steel tape (1/2 inch) an electronic distance meter (see customer file) and a steel tape.
- All bearings are bearings are referenced to astronomic north which is based on a set of observations of the circumstellar star, plotted (observations were made occupying point 12, back-sighting point 15).
