DISCLAIMER: Bastrop County provides this map "as is" and assumes no liability for its completeness or accuracy. This product is for informational purposes and may not have been prepared for or be suitable for legal, engineering, or surveying purposes. It does not represent an on-the-ground survey and represents only the approximate relative location of property boundaries, floodplain, and other data.

FLOOD WARNING: The flood insurance rate maps and other data used in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes and are based on the best available data. On rare occasions greater floods can and will occur and flood heights may be increased by man-made or natural causes. This map does not imply that development outside an identified flood hazard area will be free from flooding or flood damage. Floodplain representation shall not create liability on the part of any officer or employee of Bastrop County.
