Stately grand entryway opens up to formal living room and dining room.

Living room is furnished with built-ins, hardwood floors and working fireplace.

A special feature of this house is the energy-saving solarium.

Box beams decorate the ceiling of the spacious living room.

The large master bedroom is equipped with a large walk-in closet, extra large bathroom and opens to the solarium.

The master bathroom is fitted with two separate vanities, a jetted tub and bidet.
