"The covenants shown thereon are hereby made a part of this deed and shall be given the same effect as if they were set forth in full in this deed. The maintenance of paving, sidewalks, curbs, gutters, drains, sewers, and other improvements or growths shall be constructed and maintained across the easements as shown. Said easements shall be used and appropriated for all public utilities and any public utility shall have the right to use any buildings, fences, trees, shrubs, or other structures or labor with the construction of any sewerage or water supply system or any other public utility system on the easement, and all of the said right of ingress and egress to and from the easement shall be preserved for the purpose of constructing, reconstructing, or repairing any such system or for any other purpose relating to or serving said system or any other public utility system."
