Rangeland:

Productive hardland range with livestock water provided by stock dams, three wind-mills and a submersible well. Water sites are well located for livestock grazing. Rangeland boundary fenced with barbed wire. Due to narrow ridge and valley terrain, some boundary fence may not be on the exact legal description. Typical carrying capacity is 9 to 10 acres per cow/calf pair for the summer.

Recreation:

Recreational opportunities are only limited by one's imagination. Native vegetation and water sites provide excellent habitat for deer and turkey hunting and probably elk. The scenery is fantastic. Excellent opportunities for numerous trails or off-road activities are waiting for you to explore.

Groups Hosted:

Boy & Girl Scouts, church groups, sororities, clubs, families, school groups, off-road groups and equestrian riding groups.

Campground:

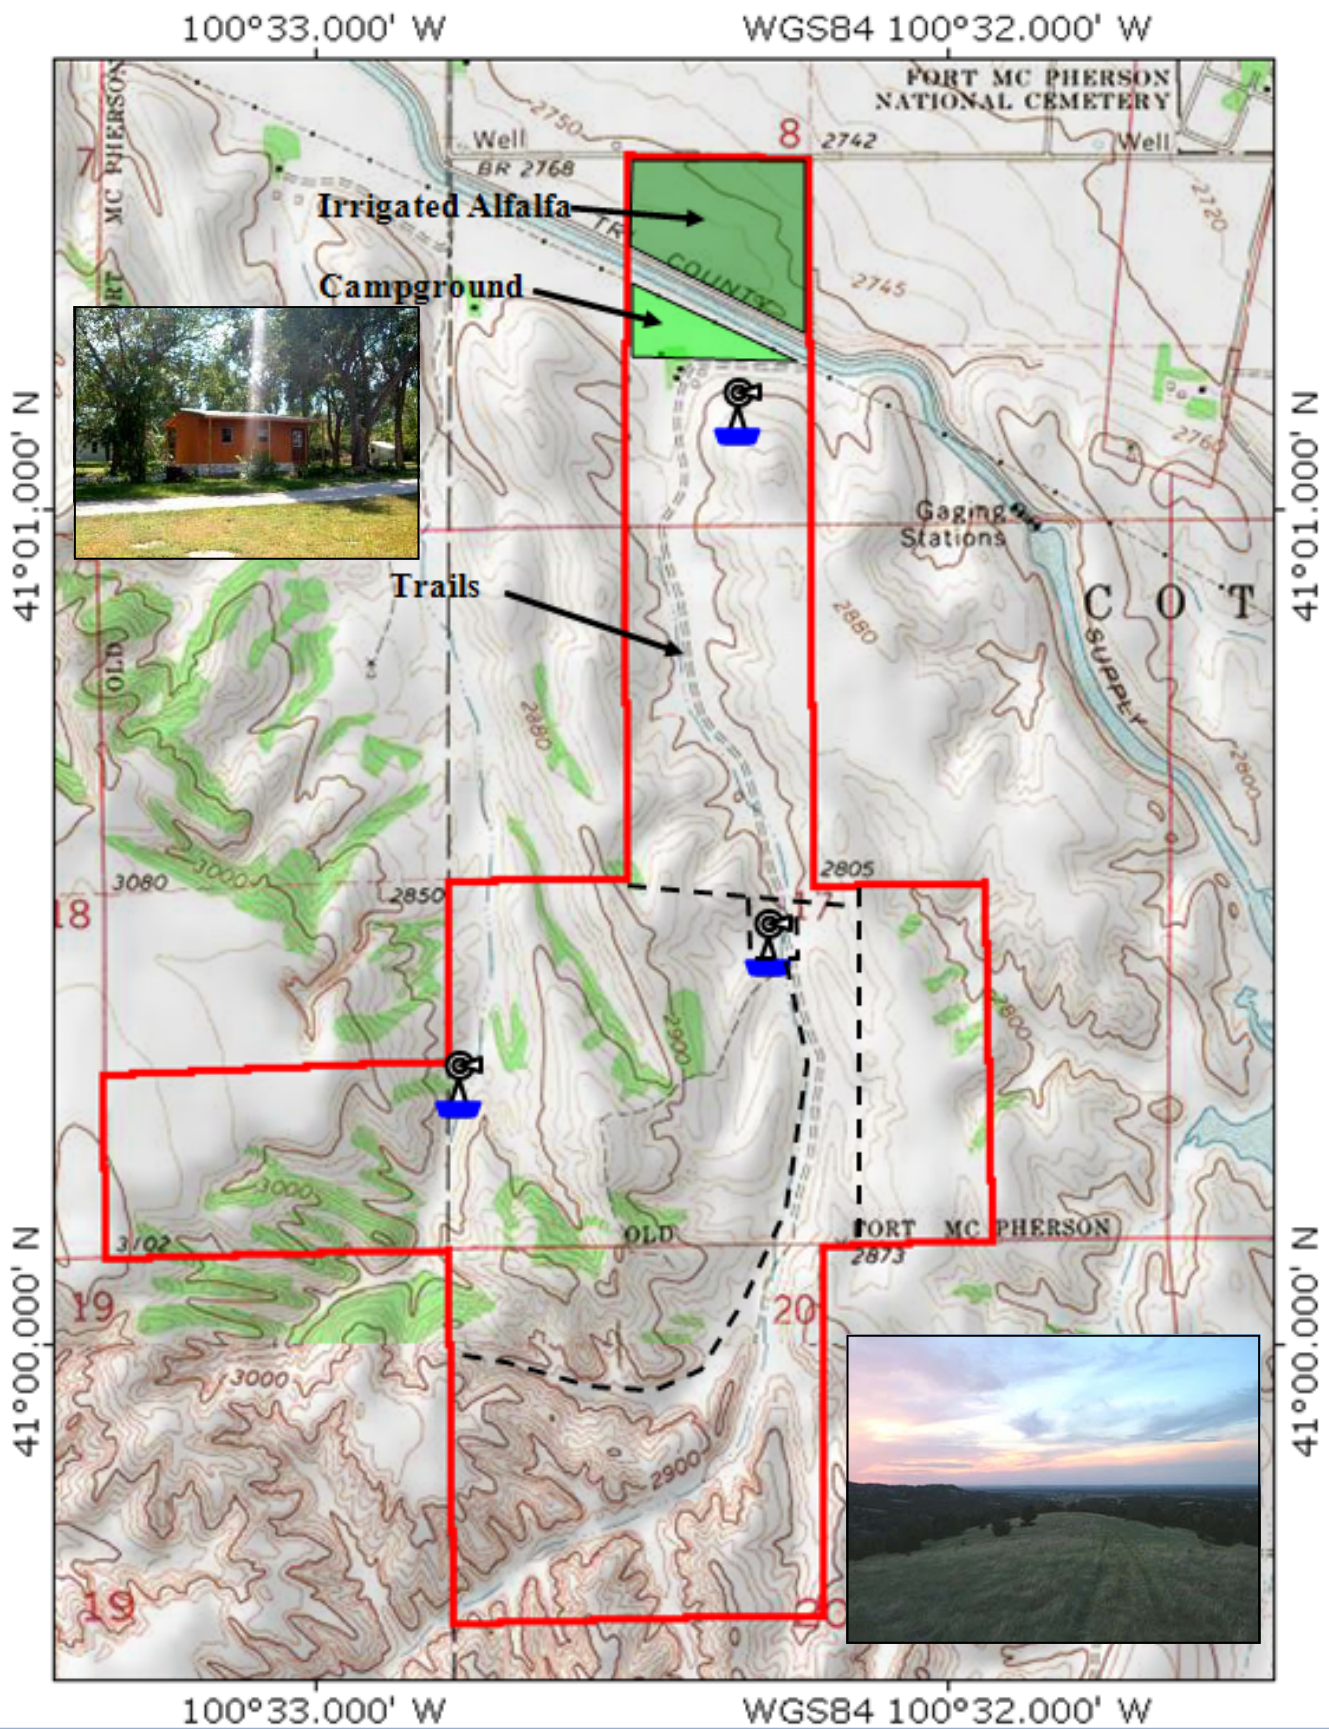

Facilities for RV hookups and tent camping, playground, office, shower and laundry building 28'X40'. There are 20 full hookups with sewer, 10 electric and water hookups, and 30+ sites without hookups. Includes one home and 3 cabins. Activities have ranged from horseback riding, trail rides, group hayrides, steak fries and canal fishing.
