

Fleming Properties, Inc.

A Real Estate Investment Company

Property Type: Recreational

Name: Hester – Little River Tract

County: Johnston

Availability: Immediate

Acres: 176.6

Address: Princeton-Kenly Road

City: Princeton

State: NC

Description:

Outdoor recreation, timber management and a home site are driving the attraction of this rural property. The farm offers 10 acres of farmland, a 3 acre pecan orchard and frontage along the scenic Little River.

The perfect situation would be to build the dream home and enjoy great hunting for deer, ducks and even a black bear, all of which have been spotted on the property. This farm is a great place to call home after retirement, and still live within an hour of Raleigh.
