Walk Amongst the Giants

How would you like to take this nature walk on a regular basis!! Amongst the giants and then end up by the ponds to cool off!

On Golden Pond

This is one of 3 ponds down the valley into the trees. Lots of game back here, the local Elk herd runs in this area!!

Trees Trees Trees

Talk about a nice forest, this place has it all.
Trees, tillable ground, year around creek, loven
it!

Imagination

Imagine the game you'll find hiding in the trees
and brush or wading in the ponds!!

Tudor in the Trees

This home could be a wonderful addition to this wonderland!! 2 Bedrooms, 1 bath, 2 car garage detached, but needs work.

Stately Barn

The foundation and structure seems to be in good shape, also needs work, roof, paint and a lot of care.

Open Hillside

This portion is behind the home and out buildings looking north, still good timber on this portion.

Explore

See the rock out cropping through the trees?
Wonder what it looks like up close? Me too! I think I'll go check it out, want to come?

End of the Road

This is the end of the road! End of the forest!
This is about 40 acres of openness. Don't have a picture of it, but there is a large hill looking the other way. Haven't walked it, but I be you'll be able to see a long way.

Peaceful Valley

Private entrance to this valley of fun. Tree huggers unite this is the place everyone will love!!

Chicken House

Didn't get a good picture of the chicken house that sits just behind the barn.

Valley

Down the valley where the babbling brook flows, are three small ponds, at one time they use to let kids come in and fish here.

Valley

This is the valley looking southwest from the home and buildings. Excellent tillable ground that hasn't been worked for many, many years.
