One of a kind registered historic 3-story Victorian home was built in 1892, this is the Aber House. The current owners have spent a small fortune restoring and remodeling throughout. First floor includes formal parlor, dining living rooms and a modernized Kitchen with granite, custom cabinetry and tile flooring. There are 3 full baths and 5 to 8 bedrooms depending on your desired arrangement. Zoned HVAC, sprinkler and security systems, park-like yard with a huge, low maintenance salt water swimming pool, hot-tub, waterfall, and several large porches. This home would make an excellent Bed and Breakfast, gorgeous office environment o
