Re: Current Dues

Please be advised that the ~~Home Owners Association~~ H.O.A. at its last meeting, voted to forgive all outstanding dues for the year ending Dec. 31, 2004 and established a reduced fee for the year beginning Jan. 1, 2005. ~~The new rate of dues owed to the association is \$5.00 per lot per month.~~ This decision was predicated on the fact that the Home Owners Association had enough money to pay for the new gate and the road repairs. The association voted to repair the private road (PR326) and then put a gate at the east end of the road to prevent further damage due to excessive use. The road was constructed sufficient to accommodate the developments landowners traffic, but not sufficient to accommodate its present use. As the newly elected President of the association I wanted to inform every landowner of these decisions.

Due to the decision of the association to reduce the dues, please find below your current assessment of monies owed for the year 2005.
