### CONDITIONS OF APPROVAL:

1. The well shall be at least 100 feet from any septic tank; any portion of any leach field or animal enclosure; 50 feet from any sewer main, line or lateral; and 150 feet from any seepage pit. If type of absorption field is unknown, the distance shall be 150 feet.
2. Location of the well shall not prevent the installation, relocation or expansion of the septic system on any adjoining lot.
3. Notify the Health Department prior to moving on site.
4. Water well permit shall be kept on site at all times while work is in progress.
5. Notify the Health Department 24 hours prior to the time you expect to place any seal.
6. The exact location of sanitary and strata seals shall be approved by the Health Department, in consultation with the appropriate water management agency, after review of logs.
7. An electric log shall be performed and it shall be reviewed by the Health Department, in consultation with the appropriate water management agency, before the well is sealed. A written water quality report and interpretation shall be provided by the construction firm indicating the best location(s) for sealing off poor quality water.
8. Surface construction features of the completed well shall be in accordance with *Bulletin 74-81* (including all supplements), *Water Well Standards: State of California*.

9. In the event there shall be a chemical injector installed on the discharge line of this well, an approved backflow prevention device shall be installed between the well and the injection port
10. Any water well on the premises which is to be abandoned, or which has been abandoned already, shall be properly destroyed within six months of the completion of this well
11. If the seal(s) cannot be witnessed by the Health Department, a detailed, written description of the seal(s) shall be submitted to the Health Department within ten days.
12. Contact the Monterey County Health Department, Division of Environmental Health when the well is ready to use and request a final inspection of the completed well.
