

OLMOS GRANDE RANCH

OLMOS GRANDE RANCH 2990 ACRES

Big deer! These 2990 acres in Maverick County have one of the best deer herds in all of Texas. The ranch has been intensively managed for over 10 years. The ranch is currently operating under a level three managed land deer permit. Four deer have been harvested in the last six years scoring over 200 points on the Boone and Crockett scale. Ranch has had two victories in the prestigious Los Cazadores deer contest recently. Best archery low fence and top honor in low fence non typical were awarded. The ranch has had several Boone and Crockett entries in recent years. A centrally located stone hunting lodge sits high on a hill overlooking a stocked lake. Three large fields, numerous stock tanks and a hangar add to the improvements. This is a deer hunters paradise ready to go!
