House on 37+ acres - Cumberland County, KY

Come take a look at this well-maintained country cabin on over 37 surveyed acres with end-of-road privacy. Wood siding cabin has cedar walls, hardwood floors and other wood accents for a homey feel. Gas fireplace in living room and the sunroom with a view add to the relaxing atmosphere.

Nice kitchen with custom countertops and tile floor has an eating area. Living room and dining room combo includes a large-screen projector TV. Seller is planning to install central heat/air. Cabin is being sold with most of the furnishings, so your vacation hideaway is ready to move into. Small area at the gate has been fenced off for a corral. Land is rolling to steep, mostly wooded with some acres clear and an area perfect for a second building site with views. Trail leading to the creek at bottom is perfect for horseback riding. Wildlife is plentiful and the views are spectacular.
