

DIRECTIONS: From US 19/98/Alt27 on the southeast edge of Perry and immediately south of the Fenholloway River bridge, turn east on County Road 356A for 2.5 miles. Leave the pavement at Cooks Hammock Road, then take an immediate left onto Connell Cemetery Road (graded) for 3.1 miles to the entrance on right at a wood fence with gate.

CAUTION: Not all internal roads are readily drivable in a two-wheel drive vehicle and require a good internal road map to navigate. You may call Hines Boyd (850-570-8989) for an accompanied showing.
