

An aerial photograph of a rural landscape. The terrain is a mix of green fields, dark green wooded areas, and some bare or light-colored patches. A red line outlines a specific tract of land in the center-right portion of the image. The tract is roughly rectangular with some irregular edges. In the upper center, there is a large, irregularly shaped pond or wetland area. A road or path runs horizontally across the middle of the image, passing through the outlined tract. Another road runs vertically on the right side. The overall scene is a typical rural or agricultural landscape.
