Concerning the Property at _____

If the answer to any of the items in Section 3 is yes, explain (attach additional sheets if necessary):

I believe previous owner treated for termites. I have no knowledge
or indication of current termite problems.

Previous owner had foundation repairs done. I don't know why. No
current indications of any foundation problems.
Also, ROOF BLEW OFF IN STORM FROM 2ND STORY. Replaced in 2008.

Section 4. Are you (Seller) aware of any item, equipment, or system in or on the Property that is in need of repair, which has not been previously disclosed in this notice? ☐ yes ☒ no If yes, explain (attach additional sheets if necessary): Bridge could use cosmetic repairs

Section 5. Are you (Seller) aware of any of the following (Mark Yes (Y) if you are aware. Mark No (N) if you are not aware.)

Y N

☐ ☒ Room additions, structural modifications, or other alterations or repairs made without necessary permits or not in compliance with building codes in effect at the time.

☐ ☒ Homeowners' associations or maintenance fees or assessments. If yes, complete the following:

Name of association: _____

Manager's name: _____ Phone: _____

Fees or assessments are: \$ _____ per _____ and are: ☐ mandatory ☐ voluntaryAny unpaid fees or assessment for the Property? ☐ yes (\$ _____) ☐ no

If the Property is in more than one association, provide information about the other associations below or attach information to this notice.

☐ ☒ Any common area (facilities such as pools, tennis courts, walkways, or other) co-owned in undivided interest with others. If yes, complete the following:

Any optional user fees for common facilities charged? ☐ yes ☐ no If yes, describe: _____

☐ ☒ Any notices of violations of deed restrictions or governmental ordinances affecting the condition or use of the Property.

☐ ☒ Any lawsuits or other legal proceedings directly or indirectly affecting the Property.

☐ ☒ Any death on the Property except for those deaths caused by: natural causes, suicide, or accident unrelated to the condition of the Property.

☐ ☒ Any condition on the Property which materially affects the health or safety of an individual.

☐ ☒ Any repairs or treatments, other than routine maintenance, made to the Property to remediate environmental hazards such as asbestos, radon, lead-based paint, urea-formaldehyde, or mold.

If yes, attach any certificates or other documentation identifying the extent of the remediation (for example, certificate of mold remediation or other remediation).

If the answer to any of the items in Section 5 is yes, explain (attach additional sheets if necessary):

Concerning the Property at _____

3500 FM 972
GEORGETOWN, TX 78626

Section 6. Seller ☐ has ☒ has not attached a survey of the Property.

Section 7. Within the last 4 years, have you (Seller) received any written inspection reports from persons who regularly provide inspections and who are either licensed as inspectors or otherwise permitted by law to perform inspections? ☐ yes ☒ no If yes, attach copies and complete the following:

Inspection Date	Type	Name of Inspector	No. of Pages

Note: A buyer should not rely on the above-cited reports as a reflection of the current condition of the Property. A buyer should obtain inspections from inspectors chosen by the buyer.

Section 8. Check any tax exemption(s) which you (Seller) currently claim for the Property:

- ☒ Homestead ☐ Senior Citizen ☐ Disabled
☐ Wildlife Management ☒ Agricultural ☐ Disabled Veteran
☐ Other: _____ ☐ Unknown

Section 9. Have you (Seller) ever received proceeds for a claim for damage to the Property (for example, an insurance claim or a settlement or award in a legal proceeding) and not used the proceeds to make the repairs for which the claim was made? ☐ yes ☒ no If yes, explain: _____

Section 10. Does the property have working smoke detectors installed in accordance with the smoke detector requirements of Chapter 766 of the Health and Safety Code? ☐ unknown ☐ no ☒ yes. If no or unknown, explain. (Attach additional sheets if necessary): _____

**Chapter 766 of the Health and Safety Code requires one-family or two-family dwellings to have working smoke detectors installed in accordance with the requirements of the building code in effect in the area in which the dwelling is located, including performance, location, and power source requirements. If you do not know the building code requirements in effect in your area, you may check unknown above or contact your local building official for more information.*

A buyer may require a seller to install smoke detectors for the hearing impaired if: (1) the buyer or a member of the buyer's family who will reside in the dwelling is hearing-impaired; (2) the buyer gives the seller written evidence of the hearing impairment from a licensed physician; and (3) within 10 days after the effective date, the buyer makes a written request for the seller to install smoke detectors for the hearing-impaired and specifies the locations for installation. The parties may agree who will bear the cost of installing the smoke detectors and which brand of smoke detectors to install.

Seller acknowledges that the statements in this notice are true to the best of Seller's belief and that no person, including the broker(s), has instructed or influenced Seller to provide inaccurate information or to omit any material information.

ADDITIONAL NOTICES TO BUYER:

- (1) The Texas Department of Public Safety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit www.txdps.state.tx.us. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If you are basing your offers on square footage, measurements, or boundaries, you should have those items independently measured to verify any reported information.

- (4) The following providers currently provide service to the property:

Electric: <u>Pedernales Electric</u>	Sewer: <u>N/A</u>
Water: <u>Jonah Water</u>	Cable: <u>Satellite Direct TV</u>
Trash: <u>?</u>	Natural Gas: <u>N/A</u>
Local Phone: <u>Verizon</u>	Propane: <u>will provide</u>

- (5) This Seller's Disclosure Notice was completed by Seller as of the date signed. The brokers have relied on this notice as true and correct and have no reason to believe it to be false or inaccurate. YOU ARE ENCOURAGED TO HAVE AN INSPECTOR OF YOUR CHOICE INSPECT THE PROPERTY.

The undersigned Buyer acknowledges receipt of the foregoing notice and acknowledges the property complies with the smoke detector requirements of Chapter 766, Health and Safety Code, or, if the property does not comply with the smoke detector requirements of Chapter 766, the buyer waives the buyer's rights to have smoke detectors installed in compliance with Chapter 766.

TEXAS ASSOCIATION OF REALTORS®

INFORMATION ABOUT ON-SITE SEWER FACILITY

USE OF THIS FORM BY PERSONS WHO ARE NOT MEMBERS OF THE TEXAS ASSOCIATION OF REALTORS® IS NOT AUTHORIZED.
©Texas Association of REALTORS®, Inc., 2004

CONCERNING THE PROPERTY AT

3500 FM 972
GEORGETOWN, TX 78626

A. DESCRIPTION OF ON-SITE SEWER FACILITY ON PROPERTY:

- (1) Type of Treatment System: ☐ Septic Tank ☐ Aerobic Treatment ☒ Unknown
- (2) Type of Distribution System: ☒ Unknown
- (3) Approximate Location of Drain Field or Distribution System: 3 systems
1 on west side of house
2 on east side of house
3 by apartment (east side) ☐ Unknown
- (4) Installer: ☒ Unknown
- (5) Approximate Age: ☒ Unknown

B. MAINTENANCE INFORMATION:

- (1) Is Seller aware of any maintenance contract in effect for the on-site sewer facility? ☐ Yes ☒ No
If yes, name of maintenance contractor: _____
Phone: _____ contract expiration date: _____
Maintenance contracts must be in effect to operate aerobic treatment and certain non-standard on-site sewer facilities.)
- (2) Approximate date any tanks were last pumped? unknown
- (3) Is Seller aware of any defect or malfunction in the on-site sewer facility? ☐ Yes ☒ No
If yes, explain: _____
- (4) Does Seller have manufacturer or warranty information available for review? ☐ Yes ☒ No

C. PLANNING MATERIALS, PERMITS, AND CONTRACTS:

- (1) The following items concerning the on-site sewer facility are attached:
☐ planning materials ☐ permit for original installation ☐ final inspection when OSSF was installed
☐ maintenance contract ☐ manufacturer information ☐ warranty information ☐ _____
- (2) "Planning materials" are the supporting materials that describe the on-site sewer facility that are submitted to the permitting authority in order to obtain a permit to install the on-site sewer facility.
- (3) It may be necessary for a buyer to have the permit to operate an on-site sewer facility transferred to the buyer.

- D. INFORMATION FROM GOVERNMENTAL AGENCIES:** Pamphlets describing on-site sewer facilities are available from the Texas Agricultural Extension Service. Information in the following table was obtained from Texas Commission on Environmental Quality (TCEQ) on 10/24/2002. The table estimates daily wastewater usage rates. Actual water usage data or other methods for calculating may be used if accurate and acceptable to TCEQ.

<u>Facility</u>	<u>Usage (gal/day) without water- saving devices</u>	<u>Usage (gal/day) with water- saving devices</u>
Single family dwelling (1-2 bedrooms; less than 1,500 sf)	225	180
Single family dwelling (3 bedrooms; less than 2,500 sf)	300	240
Single family dwelling (4 bedrooms; less than 3,500 sf)	375	300
Single family dwelling (5 bedrooms; less than 4,500 sf)	450	360
Single family dwelling (6 bedrooms; less than 5,500 sf)	525	420
Mobile home, condo, or townhouse (1-2 bedroom)	225	180
Mobile home, condo, or townhouse (each add'l bedroom)	75	60

This document is not a substitute for any inspections or warranties. This document was completed to the best of Seller's knowledge and belief on the date signed. Seller and real estate agents are not experts about on-site sewer facilities. Buyer is encouraged to have the on-site sewer facility inspected by an inspector of Buyer's choice.

TEXAS ASSOCIATION OF REALTORS® INFORMATION ABOUT SPECIAL FLOOD HAZARD AREAS

USE OF THIS FORM BY PERSONS WHO ARE NOT MEMBERS OF THE TEXAS ASSOCIATION OF REALTORS® IS NOT AUTHORIZED.
©Texas Association of REALTORS®, Inc. 2008

CONCERNING THE PROPERTY AT 3500 FM 972
GEORGETOWN, TX 78626

A. FLOOD AREAS:

- (1) The Federal Emergency Management Agency (FEMA) designates areas that have a high risk of flooding as special flood hazard areas.
- (2) A property that is in a special flood hazard area lies in a "V-Zone" or "A-Zone" as noted on flood insurance rate maps. Both V-Zone and A-Zone areas are areas with high risk of flooding. The V-Zone is the area of highest risk.
- (3) Some properties may also lie in the "floodway" which is the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge a flood under FEMA rules. Communities must regulate development in these floodways.

B. AVAILABILITY OF FLOOD INSURANCE:

- (1) Generally, flood insurance is available regardless of whether the property is located in or out of a special flood hazard area. Contact your insurance agent to determine if any limitations or restrictions apply to the property in which you are interested.
- (2) FEMA encourages every property owner to purchase flood insurance regardless of whether the property is in a high, moderate, or low risk flood area.
- (3) A homeowner may obtain flood insurance coverage (up to certain limits) through the National Flood Insurance Program. Supplemental coverage is available through private insurance carriers.
- (4) A mortgage lender making a federally related mortgage will require the borrower to maintain flood insurance if the property is in a special flood hazard area.

C. GROUND FLOOR REQUIREMENTS:

- (1) Many homes in special flood hazard areas are built-up or are elevated. In elevated homes the ground floor typically lies below the base flood elevation and the first floor is elevated on piers, columns, posts, or piles. The base flood elevation is the highest level at which a flood is likely to occur as shown on flood insurance rate maps.
- (2) Federal, state, county, and city regulations:
 - (a) restrict the use and construction of any ground floor enclosures in elevated homes that are in special flood hazard areas; and
 - (b) may prohibit or restrict the remodeling, rebuilding, and redevelopment of property and improvements in the floodway.
- (3) The first floor of all homes must now be built above the base flood elevation.
 - (a) Older homes may have been built in compliance with applicable regulations at the time of construction and may have first floors that lie below the base flood elevation, but flood insurance rates for such homes may be significant.
 - (b) It is possible that modifications were made to a ground floor enclosure after a home was first built. The modifications may or may not comply with applicable regulations and may or may not affect flood insurance rates.
 - (c) It is important for a buyer to determine if the first floor of a home is elevated at or above the base flood elevation. It is also important for a buyer to determine if the property lies in a floodway.

(TAR 1414) 7-16-08

- (4) Ground floor enclosures that lie below the base flood elevation may be used only for: (i) parking; (ii) storage; and (iii) building access. Plumbing, mechanical, or electrical items in ground floor enclosures that lie below the base flood elevation may be prohibited or restricted and may not be eligible for flood insurance coverage. Additionally:
- (a) in A-Zones, the ground floor enclosures below the base flood elevation must have flow-through vents or openings that permit the automatic entry and exit of floodwaters;
 - (b) in V-Zones, the ground floor enclosures must have break-away walls, screening, or lattice walls; and
 - (c) in floodways, the remodeling or reconstruction of any improvements may be prohibited or otherwise restricted.

D. COMPLIANCE:

- (1) The above-referenced property may or may not comply with regulations affecting ground floor enclosures below the base flood elevation.
- (2) A property owner's eligibility to purchase or maintain flood insurance, as well as the cost of the flood insurance, is dependent on whether the property complies with the regulations affecting ground floor enclosures.
- (3) A purchaser or property owner may be required to remove or modify a ground floor enclosure that is not in compliance with city or county building requirements or is not entitled to an exemption from such requirements.
- (4) A flood insurance policy maintained by the current property owner does not mean that the property is in compliance with the regulations affecting ground floor enclosures or that the buyer will be able to continue to maintain flood insurance at the same rate.
- (5) Insurance carriers calculate the cost of flood insurance using a rate that is based on the elevation of the lowest floor.
 - (a) If the ground floor lies below the base flood elevation and does not meet federal, state, county, and city requirements, the ground floor will be the lowest floor for the purpose of computing the rate.
 - (b) If the property is in compliance, the first elevated floor will be the lowest floor and the insurance rate will be significantly less than the rate for a property that is not in compliance.
 - (c) If the Property lies in a V-Zone the flood insurance rate will be impacted if a ground floor enclosure below the base flood elevation exceeds 299 square feet (even if constructed with break-away walls).

You are encouraged to:

- (1) inspect the property for all purposes, including compliance with any ground floor enclosure requirement;
- (2) review the flood insurance policy (costs and coverage) with your insurance agent; and
- (3) contact the building permitting authority if you have any questions about building requirements or compliance issues.
