TEXAS LIVING AT ITS FINEST! Magnificent 2-story custom-built country home on almost 100 acres. Home has over 3000 sq ft. Balconies on three sides offer spectacular views of the Central Texas countryside. This gorgeous home has 4 bedrooms, 3 full baths, 2 living areas, and a large kitchen with striking granite countertops, large island, Jenn-Air appliances and walk-in pantry. Beautiful 'Floor to Ceiling' windows on the first and second floors provide picturesque views from almost every angle. Both living areas have beautiful river rock fireplaces. Master suite has built in desk area, a huge walk-in closet, an extra-large double shower and a classic claw-foot tub. Outside you can enjoy a fabulous in-ground with swim-up table & bench and enticing waterfall. Pebble Tech Pool has a self-cleaning system. Enjoy wood deck with hot tub while children enjoy a delightful playground area. Metal 24x36 workshop w/electricity & phone (pre-plumbed for shower and restroom). Wildlife abundant, cross fenced, seasonal pond, plus much more!

Property is also offered with home and 25+/- acres for \$475,000.
