

Gorgeous Country Home on 9 Acres in Elk Creek

MLS #23618

**1528 Wagon Wheel Rd—Elk Creek
\$435,000**

Absolutely gorgeous country home on 9+ acres in the beautiful Elk Creek Valley. Wonderful spacious living with attention to details. The 18'6"x18' master bedroom with balcony provides breathtaking views. Climb the wide staircase to the second level and overlook the beautiful family room with its ceiling high stone fireplace. Lots of kitchen counter and cabinet space allows a quick meal or gourmet dinner complete with Jenn-Air Grill Range, dishwasher, microwave, and refrigerator. There are also large cedar-lined closets, extra attic space and bonus area over garage for storage. The huge front porch provides a peaceful, scenic mountain view. The screened in back porch is perfect for entertaining or just relaxing in comfort. The full basement comes complete with kitchen, den, extra bedroom, bath and cellar under the front porch. The 15'8"x30' drive under basement garage is also a workshop. There are separate electric service panels for the basement and upper levels. Outside the large front and back lawns are perfect for recreation. The property features hardwood forest, abundant wildlife, two streams, open pasture and cattle guards in driveway. The mountain streams provide for a beautiful pond site. Private and secluded, this a mountain dream property that you simply must see!
