Some property asfers may be exempt from this requirement (See Tenn. Code Ann. § 66-5-209). The following is a summary of the vers' and sellers' rights and obligations under the Act. A complete copy of the Act may be found at on://www.lexisnexis.com/hottopics/tncode/ (See Tenn. Code Ann. § 66-5-201, et seq.)
12 13	1.	Sellers must disclose all known material defects and must answer the questions on the Disclosure form in good faith to the best of the seller's knowledge as of the Disclosure date.
14	2.	Sellers must give the buyers the Disclosure form before the acceptance of a purchase contract.
15 16	3.	Sellers must inform the buyers, at or before closing, of any inaccuracies or material changes in the condition that have occurred since the time of the initial Disclosure, or certify that there are no changes.
17 18 19	4.	Sellers may give the buyers a report or opinion prepared by a professional inspector or other expert(s) or certain information provided by a public agency, in lieu of responding to some or all of the questions on the form (See Tenn. Code Ann. § 66-5-204).
20	5.	Sellers are not required to have a home inspection or other investigation in order to complete the Disclosure form.
21 22	6.	Sellers are not required to repair any items listed on the Disclosure form or on any past or future inspection report unless agreed to in the purchase contract.

37 38	12.	Any repair of disclosed defects must be negotiated and addressed in the Purchase and Sale Agreement; otherwise, seller is not required to repair any such items.
39 40	13.	Buyers may, but do not have to, waive their right to receive the Disclosure form from the sellers if the sellers provide a disclaimer statement with no representations or warranties (See Tenn. Code Ann. § 66-5-202).
