Hunters this is the one. 80 acres that sits along Hwy 28 just three miles north of Alluwe, OK., in southern Nowata county. Everything is here for excellent hunting, woods & cover and a strip pit lake and a live creek that dissects the property. There's also land for food plots for deer. Water fowlers here's a place to make flooded food plots and your just a mile from Oologah lake! Game Warden says this is a very good spot for huge Whitetails. Priced at \$180,000 you will not find a better spot if you're serious about hunting.
