

Gibson Realty & Land Company

This Walthall County Farm is located just North of Tylertown, Ms. The acreage is approximately half open improved pasture and half mature pine and hardwood. The 386 acre farm is dissected by Magee's Creek and has numerous ponds scattered over the property. The magnificent home is a spacious 2,800 sq ft 4 Bedroom, 4 Bath farmhouse originally built in the 70's and refurbished in 2012. This property is currently in timber and cattle production and is also home to an abundance of wildlife. This is an immediate adventure for the buyer looking to have it all in one place.
