

The map is a topographic representation of a mountainous area. It features contour lines indicating elevation, with labels such as 1000, 1500, and 2000. A grid system is overlaid on the map, with horizontal and vertical lines intersecting. A prominent red-shaded area is located in the lower right quadrant, covering a significant portion of the terrain. This area is bounded by a grid line and a contour line. The map also includes a legend in the bottom left corner, which provides symbols for various features: a solid line for a road, a dashed line for a trail, a wavy line for a stream, a blue area for a pond, a cross for a control point, a circle with a dot for a pole/light, and a rectangle for a fence line. The legend also includes a scale bar and a north arrow. The map is oriented with the top of the page towards the upper left.
