Description

This is a really well laid out tract in the Turkey Creek drainage with a solid deer herd. It has a nice well-maintained road system, access from multiple points and because it is free of easements, can be developed to suit the demands of the new owner. Two Right of Ways give good access and lots of room to plant. This area has good deer numbers and the pictures will show that the genetic potential is great. These deer haven't been hunted hard, and its common to see deer on nearly every hunt. Brown Realty Co Jerry Brown Broker 2189 Hwy 425 Rayville LA 71269 318-782-9544
